

Sister Superioress.

I am a poor woman and
I have been deceived under the
Promises of marriage; I am at
Present with no means and with-
out any relations to nurse my
baby. Therefore I beg you for god
sake, to take my child; until
I can find a situation and ^{have} enough
means so I can bring up myself.
I hope that you will so kind
to accept my child and I will
pray god for you
I remain humble servant
